Welcome to our hotel! We're absolutely thrilled to have you with us and want to ensure your stay is as comfortable and accessible as possible. Whether you arrive by public transportation or car, we're here to assist with everything – even if you have special requests. Just let us know, and we'll take care of it.

ARRIVAL BY PUBLIC TRANSPORTATION

We love it when guests choose eco-friendly transportation to visit our modern and sustainable hotel. Thanks to our prime location, you can reach us quickly and easily:

The U-Bahn stations U6 Nussdorfer Straße and U4 Spittelau are nearby, and trams 37 and 38 stop right outside our door on Döblinger Hauptstraße.

Our lobby is fully accessible, and we have two guest elevators that will take you to any floor comfortably. If you need help with your luggage, don't hesitate to ask – we're happy to assist. Even with our modern design, we ensure every guest feels right at home.

Our hotel features three wheelchair-accessible rooms, all equipped with emergency alarms. Should you have any special requests, please let us know before your arrival, and we'll make sure everything is ready for you.

BREAKFAST, BAR, AND MORE

Our public areas, such as the breakfast room and bar, are also fully accessible. If you need assistance at the buffet or have any dietary preferences (e.g., lactose-free, gluten-free, or vegan options), our friendly team is always available to help. We want you to feel completely at ease during your stay.

Our rooms are modern, eco-friendly, and thoughtfully designed. All rooms are equipped with showers, but not all are walk-in. Please check with us in advance if you require a room with a walk-in shower. Assistance dogs are warmly welcomed, but we kindly ask for your understanding that a small cleaning fee applies. All rooms are non-smoking and easily accessible by elevator.
